*Rules - 1. Asantae's \$249 Fast Start Combo Pack pays a \$50 Fast Start Bonus to the selling affiliate. This package has 150 IP (100 left team points and 50 right team points), and is available as a first order package only. 2. To earn the Fast Start Bonus you must be Fast Start and Bonus Qualified. 3. The \$50 bonus is paid to the affiliate making the sale weekly and is only available on this Fast Start Combo Pack. 4. Asantae will double the bonus to \$100 for the first five (5) Fast Start Combo Pack sales for a total bonus of \$500 if the fifth sale occurs within 3 weeks (21 days) of the affiliate's own enrollment. The way this works is that on the first through fourth sales you will be paid the \$50 Fast Start Bonus. Then on the fifth sale you will be paid the standard \$50 Fast Start Bonus plus a \$250 Doubler Bonus if the fifth sale occurs within 3 weeks (21 days) of your enrollment.
